To Whom It May Concern:

I am writing a letter of recommendation for Nathan Wubbena, who is the Choral Director at Coal Ridge High School and Riverside Middle School. I have had the privilege of being Nathan's accompanist this past school year at the high school and believe that he would be the perfect addition to any music program at a school.

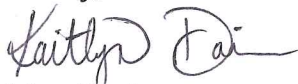

First of all, Nathan has been an invaluable member of the school's music program and has worked hard to further the music events of the school community. He has collaborated with the band director for multiple concerts to give the students opportunities to perform a wide variety of repertoire. Also, Nathan has successfully begun a wonderful and entertaining men's choir, which has grown in numbers over this school year. He has proved to be a positive role model amongst all students and continues to instill a passion for music in each of his students.

Secondly, Nathan is an excellent choir teacher. He is aware of a variety of approaches to teaching music and is constantly incorporating new ideas into his lessons. Through his pedagogy he has not only helped to improve his students musical abilities but has made it engaging and entertaining for students. He has an exceptional ability to choose musical repertoire that stimulates, encourages, and challenges his students to succeed. Nathan is creative in not only incorporating the students' musical passion and suggestions but also in discovering new ways to maintain and grow the choir program.

Lastly, and perhaps the most important, he instills an excitement for creating music amongst his students. His patient and positive attitude creates an atmosphere in the classroom of learning and respect. It is very apparent that Nathan wants his students to succeed not only in the classroom but also in the world itself.

Nathan has a wonderful rapport with people of all ages. His ability to connect with his students and colleagues is truly superior. It has been an honor to be a part of his choir program this past year and to accompany under his direction. I highly recommend Nathan to you without reservation.

Sincerely,

Kaitlyn Davis
