To Whom It May Concern,

I am pleased to offer a recommendation for Mr. Nathan Wubbena. I have known, worked with, and evaluated Mr. Wubbena the past two years at Riverside Middle School where he has been our 5th & 6th grade Choir and 6th grade Performing Arts teacher.

Mr. Wubbena genuinely cares about students and has a passion for teaching his content. Riverside's choral and performing arts program has had tremendous growth and retention due to his knowledge and instructional strategies, caring, hard work, and ability to connect with students. He is dedicated to growing our Choral and Performing Arts programs as evident by their enjoyment and commitment.

Not only is Mr. Wubbena an asset in the classroom, he is also actively involved in extra curricular activities. He began our first performing arts productions with Riverside Middle School and Coal Ridge High School students with overwhelming success and has made it an annual event. He auditioned students, held rehearsals, and had multiple showings of the "Sound of Music" and "Once Upon A Mattress" productions with students in Elementary through High School. He also works with students in other extra curricular events like honor choir. He uses different types of technology to explore deeper connections with students, and empowers them to showcase what they have learned in front of an audience. Mr. Wubbena is constantly looking for new ways to not only improve his instruction, but, more importantly, how to get students involved in activities, especially music and performing, for a lifetime.

I would highly recommend that you consider hiring Mr. Wubbena for any position he is qualified. He is an asset to Riverside Middle School and will be greatly missed. If I can be of further assistance, please contact me.

Sincerely,
